**SUNDAY BLUES**

A story heard in church was highly exaggerated but illustrated the point. A mother had told her son twice that it was time to get up and go to Sunday School and Preaching. When she went into his room for a third time, she yanked the covers back and demanded he get up. Sleepily, he said, "Give me three good reasons why I have to go to church." "Number one she said, is that's its Sunday; two, you're 40 years old; and three, you're the preacher." *From time to time, we all need a little push.* (Submitted by Jeanette Gibbs)

## **Answers To Hidden Books Of The Bible**

I once made a **remark** about hidden books in the Bible. It was a real **lulu**. **Kept** some people **looking** so hard for **facts**. And to others, it was a **revelation**. Some obviously were in a **jam**, **es**pecially since the books were not capitalized. But the real **truth** finally struck home to **numbers** of readers. To others, it was a real time consuming **job**. However, we want it to be a **most** fascinating few minutes for you. **Yes, there** will be some very easy ones to spot. Others just might require **judges** to determine. We will quickly admit **it** **us**ually takes a minute or two to find one, and then there will be loud **lamentations** when you see how really simple it is. One little lady says that if **she brews** tea, she can concentrate better. Another **chose** a cup of coffee for assistance. See how well you can **compete**. **Relax** now. There are at least seventeen in the paragraph. Don't give up until you have found them all.
