"TOO LATE! NO TIME, NO . . ."

Those words were the last words heard on the cockpit recorder of the French Concorde supersonic jet airplane that crashed in Paris on July 25, killing all on board and several people on the ground. In all, 113 people died. On take-off the plane had hit a piece of metal on the runway that punctured a tire. The tire flew apart and hit an engine and fuel tank on the plane, causing an explosive fire that brought the plane down only 90 seconds into its flight. When made aware of the emergency situation the pilot said he would land at a nearby airport. However, a few seconds later he said, "Too late. No time, no . . .," and then there was silence. One can only imagine the horror of the passengers, the screams and shrieks and exclamations of terror as they heard the noise of the accident, saw the flames and felt the plane plunging to the earth. For all on board and those few on the ground it was too late, there was no time left. Their eternal destinies were sealed.

We cringe at the thoughts and feelings of the last seconds of those who lost their lives in this tragic accident, and yet, none of us know that we are not living under the same possible urgency. At any moment, the same sort of freak accident could happen to us. A heart attack, a stroke, a ruptured aorta, an explosion, a head-on car crash, a slip in the bathtub, choking on food - literally thousands of things can happen to end one's life on earth. James 1:14 says, Whereas ye know not what shall be on the morrow. For what is your life? It is even vapour, that appeareth for a little time, and then vanisheth away. First Peter 1:24 says, For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away. When these times come, one's eternal destiny is set. It is too late to change it! There is no time left.

The suddenness with which death can come is also illustrated by the Lord's teaching on the rich fool (Luke 12:13-21) and the account of Lazarus and the Rich Man (Luke 16:19-31). The time to be concerned about one's eternal destiny is now, while you are alive and have time to obey the gospel or be restored to God's grace! Also, Jesus repeatedly reminded us that we do not know the hour of His return, which also seals one's destiny (Matthew 24:35-44). Matthew 25 is all about living in such a way to be prepared to meet the Lord. Our death or His second coming will place us before Him. Are you ready?
