**ARE YOU LIKE THE
 YELLOWSTONE BEARS?**

THE BEARS IN YELLOWSTONE PARK GET SO USED TO BEING FED BY TOURISTS THAT WHEN THE WINTER SNOWS COME MANY BEARS STARVE TO DEATH. THEY HAVE FORGOTTEN HOW TO FEED THEMSELVES. CHRISTIANS CAN GET SO USED TO BEING FED AT CHURCH SERVICES THAT THEY NEVER LEARN TO FEED THEMSELVES. CHRISTIANS NEED BOTH TO STAY SPIRITUALLY ALIVE! HAVE YOU FED YOURSELF ON THE BIBLE LATELY?

A Message From Satan To Young People

Dear young person,

Do you at times feel neglected, that no one is interested in you? Please do not ever feel that way again. I am keenly interested in you, for I realize that you are most impressionable in your youth. I cannot reach many of your "old fogey," "know it all," "set in their ways" parents. Consequently, perhaps most of my valuable time, attractive "tactics," and smooth conversation "techniques" are spent on you. Yes, you can count on me to be your "friend." Let me give you some "fatherly" advice.

1. Do not spend much time studying the Bible. I want to help you make vital decisions, those which will affect you for a lifetime, even for eternity. However, those who meditate upon the Word of God find themselves not desiring to listen to me. Do not feel that you need to quote scriptures, like Christ did when He was tempted.

2. Please do not really think that you need to attend every worship service. Just look at the examples of many so-called Christians who are grown. When you grow up you will be able to forsake the assembling together also. You see, you will learn that other things are more important.

3. It is vital to remember that you are only young once. My, everybody has the "right" to sow his wild oats, does he not? Have you not observed that religion is really for old folks? Besides, do you wish to give the impression to your friends that you are a coward, that you are not the master of your own life, that you cannot think for yourself?

4. Expect the church to entertain you. Do you not have every right to expect the same excitement within and without the worship of the church that you receive from television, the movies, at ball games, etc.? If they do not have a comedian in the pulpit and a ministry of recreation, be loud in your complaints. If this fails, show your disapproval by staying home or by seeking a church which is "really interested" in young people. Remember, "ask not what you can do for the Lord, but rather, what He and the church can do for you!"

5. Do not let anyone tell you how to live your life. I'll help you make up your own mind and what we decide together will be so much more fun than what those do-gooders try to ram down your throat. If you really want to fit in, you know that immodesty, dancing, and sex outside of marriage will ensure that such "forbidden pleasures" will really help you have a good time.

If any of your friends need to feel "loved," pass my letter on to them. However, don't let those people who are blinded by the Bible see it. They may not be impressed. I am interested in having you spend eternity with me also.

Your friend,
Satan
