## MY WORDS

*Therefore you shall lay up these  
Words of Mine in your heart and in  
your soul...You shall teach them  
to your children, speaking of them  
when you sit in your house, when  
you walk by the way, when you lie

That your days and the days of your

## If The Tables Were Turned...

"Hello...Yes...Oh, you're Johnny's teacher. I've been meaning to call you...No, Johnny isn't planning to be in school this year. You see, he has so much to do at church: Bible school lessons, worship services, youth activities and such, to take up his time. With gospel meetings, Bible bowl and all, there isn't any time left for school. Am I going to make him go? Of course I'm not! I knew a family once that made their child go, and he wound up hating school. No, I don't think his educational growth will be harmed. I will use my influence to get him to attend football games, class plays, musicals, and other special events of the school. When hunting season is over, his father will be able to take him, and that will further encourage him. I really do think the old methods of education are out of date now anyway. Yes, if he were to decide to return to school, it would be fine with me. I just want to make sure that the decision is his..."
