## Baptism

Viewing a thing from the negative standpoint is often a good way to better understand and appreciate exactly what something is. Viewing baptism this way should help us and anybody who so desires to understand it better. So let's notice what baptism is not.

1. Baptism is NOT merely a physical act, but is a gesture springing forth from the heart (Romans 6:17,18; Acts 18:8).

2. Baptism is NOT the putting away of fleshly filth, but is an answer of a good conscience toward God (I Peter 3:21).

3. Baptism is NOT a church ordinance, but is an essential command of the gospel of Christ (Mark 16:15,16).

4. Baptism is NOT a christening ordinance, but is a condition of salvation from alien sins (Acts 2:38).

5. Baptism is NOT a Christian duty, but is a condition of becoming a Christian (Galatians 3:26,27).

6. Baptism is NOT a work of man's righteousness, but is a command of God's righteousness (Titus 3:5).

7. Baptism is NOT an outward sign of an inward grace, but is an act of obedience that washes away sins (Acts 22:16).

8. Baptism is NOT an act performed to show the world that we are saved, but is an act of obedience complied with in order to be saved (Acts 2:38). The idea of baptism to show the world we are saved makes about as much sense as washing our feet to show, to prove that we are Americans, or taking a bath to show that we have been healed of an ulcer.

9. Baptism is NOT sprinkling or pouring, but is a burial and resurrection (Colossians 2:12; Romans 6:3-5).
