AUTOMATED RELIGION

A man walked up to a vending machine, put in a coin, pressed a button labeled "coffee", double cream, sugar." No cup appeared, but the nozzles went into action, sending forth coffee, cream and sugar. After the proper amount had gone down the drain, the machine turned off.

"Now that's real automation!" exclaimed the man.
"This thing even drinks it for you." That is just how some people want their religion. They want to make a deposit, put in some money, let the rest be taken care of automatically. But there is no such things as automated prayers, automated devotion, automated worship, or automated service in benevolence. The religion of Jesus requires personal engagement. Beware of automated religion!

Calculating The Profit

A man from the old country ran a small business in America. He kept his accounts payable in a cigar box, his accounts receivable on a spindle, and his cash in the cash register. His son said, "I don't see how you can run your business this way. How do you know what your profits are?"

The businessman replied, "Son, when I got off the boat, I had only the pants I was wearing. Today your sister is an art teacher, your brother is a doctor, and you are an accountant. I drive a new car, live in a fine house and enjoy a good business. Everything is paid for. So you add all that up, subtract the pants, and there's your profit."

If you use the same wisdom to figure up your life, the profits are staggering. Let's see, the Bible says, "For we brought nothing into the world..." (1 Timothy 6:7). Now, you take what you have today, subtract nothing, and you have the total. That means that anything you have in your possession right now is profit given you by God. Praise God for His blessings!

But God says, "No, that is not real profit. I have something better." If you are wise, you can trade in all this profit for more profit in the eternal kingdom. Christ said, "What would it profit a man if he gains the whole world, yet forfeits his soul? Or what can a man give in exchange for his soul?" (Matthew 16:26).

When we stand with the redeemed in the great day of Judgment, how would we calculate our profit? We come to Christ with absolutely nothing. We were in debt with our sin. He forgave our debt, then made us heirs with Christ of all His riches. Now there, my friend, is a profit!
