## WHAT THOSE WORDS REALLY MEAN

Christians don't always say what they mean. The following statements are often heard around the church. Notice the true translations of each pious phrase,

"It needs to be done" means, "I'm not going to do anything about it, but the church ought to."

"I've heard some criticism" means, "I'm against it, but I don't want to stand by myself."

"The whole church is upset" usually means, "Two or three loudmouths have said something against it."

"It might bring criticism" means, "I know it should be done, but it takes too much effort for me to get involved."

## Preacher Search Report

We do not have a happy report to give. We've not been able to find a suitable candidate for this church, though we have one promising prospect still. We do appreciate all the suggestions from the church members, and we've followed up each one with interviews or calling at least three references.

The following is our confidential report on the present candidates.

**Adam:** Good man but problems with his wife and one of his children. Also one reference told of how he let his wife take the lead to often.

**Noah:** Former position of 120 years with no converts. Prone to unrealistic building projects.

**Abraham:** Though the references reported wife-swapping, the facts seem to show he never slept with another man's wife, but did offer to share his own wife with another man.

**Joseph:** A big thinker, but seems to brag, believes in dream-interpreting, and has a prison record.

**Moses:** A modest and meek man, but poor communicator, even stuttering at times. Sometimes blows his stack and acts rashly. Some say he left an earlier church over a murder charge.

**David:** The most promising leader of all until we discovered the affair he had with his neighbor's wife.

**Solomon:** Great preacher but our preacher's house would never hold all those wives.

**Elijah:** Prone to depression-collapses under pressure.

**Elisha:** Reported to have lived with a single widow while at his former church.

**Hosea:** A tender and loving preacher but our people could never handle his wife's

occupation.

**Jeremiah:** Emotionally unstable, alarmist, negative, always lamenting things, and reported to have taken a long trip to bury his clothes on the bank of foreign river.

**Isaiah:** On the fringe. Claims to have seen angels in church. Has trouble with his language.

**Jonah:** Refused God's call into ministry until he was forced to obey by getting swallowed up by a great fish. He told us the fish later spit him out on the shore near here.

**We hung up.**

**Amos:** Too backward and unpolished. With some seminary training he might have promise, but has a hang-up against wealthy people-might fit in better in a poor congregation.

**John:** Has slept in the outdoors for months on end, has a weird diet, and provokes denominational leaders.

**Peter:** Too blue collar. Has a bad temper-even has been known to curse. Had a big run-in with Paul in Antioch. Aggressive, but a loose cannon.

**Paul:** Powerful CEO type leader and fascinating preacher. However, short on tact, unforgiving with younger ministers, harsh and has been known to preach all night.

**Timothy:** Too young.

**Judas:** His references are solid. A steady plodder. Conservative. Good connections. Knows how to handle money. We're inviting him to preach this Sunday. Possibilities here.
