Running up hill and running down people are both bad for the heart.

Some people never say anything bad about the dead, or anything good about the living.

No man has the right to do as he pleases, except when he pleases to do right.

BIBLE CLASS ATTENDANCE IS IMPORTANT

(What My Presence Did)

It caused people to have confidence in me.

It was evidence that my spiritual welfare is very important to me.

It had a good effect on the class.

It encouraged the brethren and helped the kingdom of Christ.

It made my life stronger for the next few days.

It removed stumbling blocks from the sinner's path.

It pleased God, and I was happy that I went.

It caused others to say, "He/she practices what he/she preaches."

It made the road to heaven easier to travel.

(next week, what my absence did)

God Has Joined Himself To Jesus

- **Patriarchal Age** -- God spoke to the heads of families, such as Abraham, Isaac, and Jacob.
- **Mosaic Age** -- God gave to Israel through Moses a law that was designed to lead them to Christ, the promised Seed through whom salvation was to come to all men. The Law of Moses was nailed to the cross (Colossians 2:14).
- **Christian Age** -- The age in which Christ is the King of His kingdom, the church. It is the last age, or dispensation. Hebrews 1:1-3 is a key passage which tells us we are subject to the gospel of Christ, not the Law of Moses.
