An empty tomb proves Christianity, an empty church building denies it.

We admire the wisdom and judgement of those who come to us for advice.

When a man is wrong and won't admit it, he always gets angry.

Which Way Are You Going?

Sometimes there are clues which help us to determine which way people are going. A man with a fishing pole and tackle box is going to the pond or lake; a boy with an armload of books is headed for school; a man carrying a lunch box or briefcase is headed for work.

In religion we can tell which way some are going by:

1. The company they keep. To run with a worldly crowd can result in worldly behavior. (1 Corinthians 15:33).
2. The places they go. When Sunday outings and trips interfere with worship services then someone is headed in the wrong direction! (Hebrews 10:25) A little neglect goes a long way (to hell)! (Revelation 3:19).
3. The things they do. When God's laws for marriage and the family are scorned; when lust and adultery become common-place behavior, then someone has taken a wrong turn (Matthew 19:9; Ephesians 5:21,25; 1 Corinthians 6:9-11).
4. The goals they seek. The world seems to be mad - money mad, pleasure mad! "Eat, drink, and be merry," and "grab the gusto" are the sugar-coated phrases Satan uses to deceive folks as to the purpose for life. Spiritual goals are more important than material. Our world seeks grime when it could have glory! (Ecclesiastes 12:13; Matthew 16:23-26).

Although people are going about in various activities, there are basically only two ways for us to be going. You can read about them in Matthew 7:13,14. Are you headed in the right direction? If not, make a U-turn immediately.

*"I would rather have thousands to say to me
at the judgment, 'We heard you preach, and
you hurt our feelings, than to have just one
lost soul to say, 'I heard you preach, but you
did not tell me the truth.' "* - John T. Lewis
